

CAKES AND CUPCAKES MENU

CAKES

Not everyone digs the themed cake. We get that. Sometimes you just want a big ol' slab of delicious cake. Made fresh to order with quality ingredients, we often have some 6" size cakes available in store.

Any of our cupcake flavours can be turned into a whole cake!

Cake Pricing:

6" (feeds 6-8) - \$30

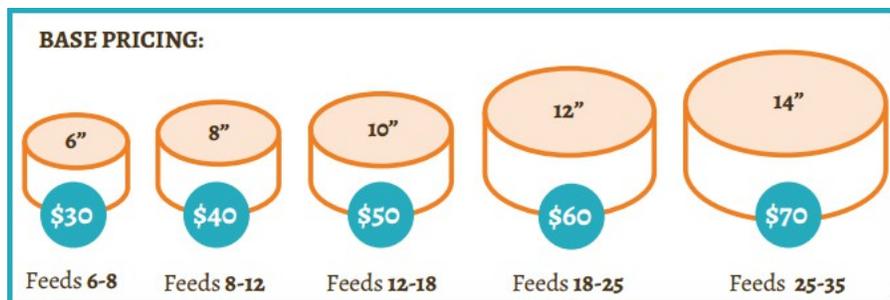

8" (feeds 10-12) - \$45

10" (feeds 12-18) - \$60

CUSTOM CAKES

Each cake order is as unique as each customer placing the order. Helping you decide on the best design for your event is the best part. Allow us to give you some of our ideas and take in yours.

When pricing custom cakes, we begin with a base price based on the amount of people you need to feed, and then we factor in the extra labour (detailed decorations) and supplies (fondant, etc) needed for that particular design. Custom ordering means custom pricing. We do our best to cater to not only the needs of your event, but also your price point.

FLAVOURS INCLUDED IN BASE PRICING ARE:

Chocolate | Vanilla | Red Velvet | Cinnamon Spice

With corresponding butter cream icing

*Additional costs may be added for special flavours and fillings

*A non-refundable deposit is required on custom orders

Added cost fillings may include but are not limited to raspberry, strawberry, lemon, caramel, oreo cookies, nutella, peanut butter – let us know what you like best!

CUPCAKES

A Sweet B's cupcake is not your ordinary cupcake. We pride ourselves in giving you flavour options you won't find just anywhere. Don't see what you're craving? Let us know! We've been known to create flavours based on our customer's needs.

Let us know what you're craving!

Cupcake Pricing:

\$2.75 each

\$15 per half dozen

\$27 per dozen

Advanced orders require a minimum order of 1/2 dozen per flavour. We recommend 'baker's choice'....a mix of our favourites!

We bake 6 different flavours everyday in house on a random rotation ... You never know what you might find!

'COURTESY OF' FLAVOURS

The flavours you see marked as 'courtesy of' were submitted by some lovely folks as part of our crowd funding campaign. Without these individuals, Sweet B's would not be what it is today. These individuals were given the 'perk' of a cupcake flavour of their choice permanently added to our menu in lieu of their generous donations.

THANK YOU so much to each and every one of you for your ideas, submissions and enthusiasm towards our sweet ideas. You're all amazing!
